

# Moving Checklists

Stay organized and stress-free with our comprehensive moving checklists tailored to every stage of your move.

## 1 Month Before Moving

- ✓ Begin decluttering your home and decide what to donate, sell, or discard.
- ✓ Gather important documents and keep them in a safe, accessible place.
- ✓ Notify utility companies of your move-out date and arrange for service at your new home.
- ✓ Start packing non-essential items and label boxes by room and contents.

## 2 Weeks Before Moving

- ✓ Confirm your moving date and details with A1 Moving and Storage.
- ✓ Arrange for childcare or pet care on moving day.
- ✓ Schedule a change of address with the post office and notify banks, insurers, and other important contacts.
- ✓ Prepare an essentials box with items you'll need immediately upon arrival at your new home.

## Moving Day!

Today is the day! Stay calm and follow these tips to ensure a smooth transition to your new home.

- ✓ Keep important documents and valuables with you.
- ✓ Do a final walkthrough of your old home to check for forgotten items.
- ✓ Verify that all boxes are properly labeled and sealed.
- ✓ Ensure all furniture and large items are protected and ready for transport.
- ✓ Supervise the loading process and provide instructions to the movers as needed.
- ✓ Perform a final meter reading for utilities.
- ✓ Lock all doors and windows and hand over the keys to the new owner or landlord.
